

# HERNIS

## PEA PROTEIN STRIPS 2,5 KG

In cooperation with World Village Festival

## HERNIS & WORLD VILLAGE FESTIVAL

Hernis® lives with the world's change and offers now high quality ingredient for the food vendors at World Village Festival. Festival food is vegetarian-oriented this year and Hernis will offer its vegetable protein strips at a special price to food vendors.

### WHY HERNIS?

- Hernis is a new type of plant protein which with you can easily replace protein source in recipes
- Hernis benefits are its structure, versatility, ease of use and allergen freeness
- Natural mild taste allows to use different spice mixtures
- From one package you get more than 10 kg of ready-made strips

### HOW?

#### 1. Order your free sample NOW

Order you Hernis sample and recipes by sending email to [info@hernis.fi](mailto:info@hernis.fi). As a reply we will send you samples and ideas how to use Hernis

#### 2. Test and prepare your recipes

Making Hernis is very fast and simple. Just add liquid, oil and spices. Heat in a pan/oven or add directly to food as such. Use as a source of protein in familiar recipes or creating new ones

#### 3. Order your proteins

You can order Hernis via email. Submit your order to [info@hernis.fi](mailto:info@hernis.fi) and we will deliver in 1-3 days. Take advantage of our festival offer and fill your stocks by ordering Hernis now for the rest of the year. Hernis is a dry product with a shelf life of 12 months
